

# JHS The Journal of Hand Surgery

An International Journal Devoted  
to Surgery of the Upper Extremity

## Journal of Hand Surgery:

*The Journal of Hand Surgery* (ISSN 0363-5023) is published 12 times a year by Elsevier Inc., 230 Park Avenue, Suite 800, New York, NY 10169-0901, USA. Periodicals postage paid at New York, NY and at additional mailing offices.

## POSTMASTER:

Send address changes to *The Journal of Hand Surgery*, Elsevier, Journal Returns, 1799 Highway 50 East, Linn, MO 65051.

## Editorial:

Editorial correspondence should be addressed to: Brent Graham, MD, The Journal of Hand Surgery, 822 West Washington Boulevard, Chicago, IL 60607.

## Subscriptions:

Correspondence regarding subscription or change of address: Please visit our Support Hub page <https://service.elsevier.com> for assistance. Change of address notices, including both the old and new addresses of the subscriber and the mailing label, should be sent at least one month in advance.

**Yearly subscription rates:** United States and possessions: individuals, \$530.00; students and residents, \$242.00. All other countries: individuals, \$643.00; students and residents, \$332.00. For all areas outside the United States and possessions, there is no additional charge for surface delivery. To receive in-training rate, orders must be accompanied by name of affiliated institution, date of term, and the signature of program/residency coordinator on institution letterhead. Orders will be billed at individual rate until proof of status is received. Current prices are in effect for back volumes and back issues. Single issues, both current and back, exist in limited quantities and are offered for sale subject to availability. Back issues sold in conjunction with a subscription are on a prorated basis.

## Copyright:

Copyright © 2020 by the American Society for Surgery of the Hand. All rights reserved. No part of this publication may be reproduced or transmitted in any form or by any means now or hereafter known, electronic or mechanical, including photocopy, recording, or any information storage and retrieval system, without permission in writing from the Publisher. Printed in the United States of America. Permission may be sought directly from Elsevier's Global Rights Department in Oxford, UK: phone 215-239-3804 or 44 (0)1865 843830, fax 44 (0) 1865 853333. Requests may also be completed online via the Elsevier site (<https://www.elsevier.com/about/policies/copyright/permissions>). The appearance of the code at the bottom of the first page of an article in this journal indicates the copyright owner's consent that copies of the article may be made for personal or internal use, or for the personal or internal use of specific clients, for those registered with the Copyright Clearance Center, Inc. (222 Rosewood Drive, Danvers, MA 01923; 508-750-8400; [www.copyright.com](http://www.copyright.com)). This consent is given on the condition that the copier pay the stated per-copy fee for that article through the Copyright Clearance Center, Inc. for copying beyond that permitted by Sections 107 or 108 of the US Copyright Law. This consent does not extend to

other kinds of copying, such as copying for general distribution, for advertising or promotional purposes, for creating new collective works, or for resale. Absence of the code indicates that the material may not be processed through the Copyright Clearance Center, Inc.

## Disclaimer:

The views expressed in *The Journal of Hand Surgery* (JHS) are those of the individual authors and are not necessarily those of the American Society for Surgery of the Hand (ASSH) or Elsevier Inc. (Elsevier). Information included in JHS is not medical advice and is not intended to replace the judgment of a practitioner with respect to particular patients, procedures, or practices. No responsibility is assumed by ASSH or Elsevier for any injury and/or damage to persons or property as a result of: (i) any actual or alleged libelous statements or infringement of intellectual property or privacy rights; (ii) product liability or negligence; (iii) an author's statements or other materials; or (iv) the use or operation of any ideas, instructions, procedures, products, methods, or dosages contained in JHS. Due to rapid advances in the health sciences, independent verification of diagnoses, drug dosages, and contraindications should always be made. In addition, the publication of an advertisement does not constitute on the part of ASSH or Elsevier a guarantee or endorsement of the quality or value of the advertised product or service or of any of the representations or claims made by the advertiser. In any jurisdiction that does not permit such a disclaimer of liability, the liability of ASSH and Elsevier shall be limited to the greatest extent allowed by applicable law.
