International Hand Library and Information Resource Center

The full-service Resource Center will be located on the campus of Jewish Hospital, Louisville Medical Center, Louisville, KY, USA. It will house computer workstations, a document/archive room, and rotating exhibits. Computer capabilities will feature Internet and on-line access. We are now soliciting donations of historical and scientific journals and textbooks, sponsorship of pertinent periodicals, personal memorabilia including documents, letters, notes and manuscripts, photographs and illustrations, videotape and audio recordings of procedures, lectures and events, and special collections. All contributions will be accepted and donations are tax deductible. Please respond to Lisa H. Johnson, Vice President, Jewish Hospital, 201 Abraham Flexner Way, Louisville, KY, USA. Telephone (502) 587 4319.
