
QUARTERLY ASSH MEMBER QUESTIONNAIRE

Please e-mail your responses to JASSH@brown.edu with "ASSH-Q" in the subject heading or you may fax this page to (401) 831-5874. All responses are confidential and will only be used in a pooled data manner.

The results will be presented, along with new questions, in the following issue. Please participate because the value of this exercise to you will be proportional to the response rate.

1. A 47-year-old woman with progressive fingertip ulcerations and infections leading to amputations.

The diagnosis is? _____
